COLLINE DESIGN

Designers: Anniken Oulie-Kjoss, Janneke Tandberg Pracek, Anette Wessel & Cathrine Mørck.

Company: Colline Design, Stabekk, Norway. A high end, full-service interior design studio for commercial and residential clients throughout Europe. Tailored services to meet each client's needs, ranging from space planning, home furnishing to architectural design consultation. Current projects include a large family home in Oslo, a contemporary coastal summer house in Southern Norway, and a classic, contemporary family office. Recent work includes a large townhouse in Oslo, several mountain chalets, and a primary residence in Monaco. **Design philosophy:** bespoke interiors which balance timelessness, function and comfort.
